- (3) No person shall be eligible to hear an appeal as a member of a board of equalization unless, prior to hearing such appeal, that person shall satisfactorily complete the 40 hours of instruction in appraisal and equalization processes and procedures required by law. Any person appointed to such board shall be required to complete annually a continuing education requirement of at least eight hours of instruction in appraisal and equalization procedures, as prepared and required by the commissioner. The failure of any member to fulfill the requirements of this subparagraph shall render that member ineligible to serve on the board; and the vacancy created thereby shall be filled in the same manner as other vacancies on the board are filled.
